

Team Two Newsletter **Term Three**

Welcome back!

Our first unit for the term is a Social Sciences one, which focuses on Valuing the Past. As part of this unit we are preparing to invite grandparents to the school on **18th August** to spend the afternoon with the children. We will send an invitation home closer to the time and it will be a great opportunity for the children to spend time with their grandparents.

Later in the term our focus will shift to inquiring about the people in our community who help and teach us to be safe. Our particular focus will be on the Fire Service and we will be learning how we can be firewise.

This is a winter term where it can get very cold and the children are expected to be in their winter uniforms. Please ensure sweatshirts are named so they can find themselves back to their owners more easily.

Of course winter illness is another issue we face at this time of year, so if your child is sick please keep them home as that is where they will fully recuperate. Any boxes of tissues are always appreciated in your child's classroom.

So, a busy term ahead! We look forward to working with you all again this term helping your children to progress further. Enjoy what they do at school and help them continue to learn with us. Remember, if you have questions or concerns about your child please speak to their teacher as we want to make sure they are happy at school.
