ELLERSLIE SCHOOL EXPENSES 2012

Listed below are the costs for your child to attend Ellerslie School in 2012.

The annual donation is payable in one sum or by the term. If paid in one sum before 31st March 2012, the amount payable is reduced to \$275 for the year. Please remember that the donation is eligible for a tax rebate from the IRD. Donations help to cover the extra specialist teaching and resources required to deliver the NZ curriculum effectively, that are not covered by the funds the school receives from the Ministry of Education.

In 2012 all pupils will have swimming lessons at the Lagoon Leisure & Fitness Centre. Swimming is part of our PE programme and the costs include: bus fares, tuition and pool entry which are subsidised by the school.

The Technology programme is delivered to students in Years 2-8. This compulsory curriculum area needs resources and consumables to be fully implemented.

Stationery packs will be available at school during the first three weeks of Term 1, please check your child's appropriate year level.
