

Ellerslie School Digital Platforms

Digital Platforms for Parents

Digital Platform	Purpose
<p>Kindo</p> 	<p>Kindo allows parents to easily make all their payments online. You can pay for:</p> <ul style="list-style-type: none"> • School donations • Trips and activity fees • Lunch orders • School socks and hats and more
<p>Ellerslie School App</p> 	<p>The Ellerslie School App allows you to:</p> <ul style="list-style-type: none"> • Record absences • Subscribe to and receive alerts from different school groups • View and add school events to your phone's calendar • Receive daily notices to your phone • Access Kindo, class blogs, newsletters and more <p>Download the Ellerslie School App from Google Play or Apple iTunes, links to these can be accessed via our website.</p>
<p>@School Parent Portal</p> 	<p>The @school Parent Portal allows parents to access:</p> <ul style="list-style-type: none"> • Their child/ren's learning summaries (reports) • Records of payments and receipts made to the school • Their child/ren's contact and medical details • The school calendar
<p>Seesaw</p> 	<p>Our Seesaw Pod Blogs provide an easy way for parents to see all the amazing things their child/ren are doing while they are at school.</p> <p>Students, teachers and parents can all comment on blog posts, and this provides a valuable way to link communication between school and home.</p> <p>You can access the Seesaw blogs from our website or app.</p>

Digital Platforms for Students

Digital Platform	Purpose
<p style="text-align: center;">Spotlight</p> 	<p>Spotlight enables students to:</p> <ul style="list-style-type: none"> • Access their own learning goals (anytime, anywhere and on any device) • See their progress towards meeting their learning targets, including graphs. • Set a timeframe to complete their most important learning goal each week • Access digital learning content for each assigned set • Access child-friendly examples for each set so they know exactly what success looks like for each learning goal • Upload evidence of their learning against each 'set' so the teacher can sign the goal as achieved • Access their learning timetable each week, seeing when they will be working on with the teacher and any follow-up exercises • Get up-to-date feedback and comments from teachers about their learning progress • Get feedback and comments from their parents about their learning progress
<p style="text-align: center;">Mathletics</p> 	<p>Mathletics is designed to provide students with a captivating and safe learning experience. Mathletics combines targeted and adaptive curriculum content, structured and interactive support, with engaging gaming and rewards – all aligned to the New Zealand primary maths curriculum.</p> <p>Teachers can assess student performance, diagnose areas of improvement and set targeted curriculum activities to address learning gaps, all from within Mathletics.</p> <p>Ellerslie School provides access to Mathletics for students in years 3-6.</p>
<p style="text-align: center;">Google Suite</p> 	<p>At Ellerslie School, both staff and students use the Google Suite to aid digital learning and communication.</p> <p>Google Suite tools are cloud-based and scale easily across classrooms.</p> <p>Both teachers and students can work online or offline, anytime, and on any device with Google Suite. The use of Google Suite enables easy collaboration, greater creativity and critical thinking, and teachers can easily connect with students either one-on-one or with the whole class.</p> <p>Teachers can provide instant feedback and track a student's progress to improve performance. With tools like Classroom, teachers can manage curriculum, assignments, and grading all in one place.</p>
