

Ellerslie School Contributions 2023 New Entrants and Year One

Ellerslie School
EST 1877

Listed below are the contributions for your child to attend Ellerslie School in 2023.

The school donation is payable in one sum, by the term or you can specify your instalment amounts via Kindo. Please remember that the donation is eligible for a tax rebate from the IRD. Donations help to cover the extra specialist teaching and resources required to deliver the NZ curriculum that are not covered by the funds the school receives from the Ministry of Education. Donations are payable for a maximum of two siblings per family.

All pupils have swimming lessons. Swimming is a compulsory part of our physical education programme and the contribution covers: bus fares, tuition and pool entry which are subsidised by the school.

We ask that all contributions are paid within the first two weeks of the school term.
