

Ellerslie School Expenses 2019 Year Seven and Eight

Ellerslie School
EST 1877

Listed below are the costs for your child to attend Ellerslie School in 2019.

The school donation is payable in one sum, by the term or you can specify your instalment amounts via Kindo. If paid in full before 31st March 2019, the amount payable is reduced to \$357 for the year. Please remember that the donation is eligible for a tax rebate from the IRD. Donations help to cover the extra specialist teaching and resources required to deliver the NZ curriculum that are not covered by the funds the school receives from the Ministry of Education. Donations are payable for a maximum of two siblings per family.

All pupils participate in a water survival programme at the Mt Albert Aquatic Centre. A water programme is a compulsory part of our physical education programme and the costs include: bus fares, tuition and pool entry which are subsidised by the school.

We ask that all expenses are paid within the first two weeks of the school term.
