<p><b>Dylan Symonds - Drums</b></p> <p>Dylan began learning to play instruments and read music around age 10. Over the following 30 years he has added more instruments to his repertoire. He is now proficient in multiple percussion instruments including a full drum kit, as well as guitar, bass guitar, ukulele and piano. Dylan's instructional approach utilises a combination of essential rudimentary drumming skills, adaptations through a variety of beats and fills, and learning to cover popular songs. This last method he finds an excellent tool for keeping students motivated and is greatly enhanced by his own ability to play guitar along with the student drumming.</p> <p>Contact Email: <a href="mailto:dylansymonds1@gmail.com">dylansymonds1@gmail.com</a></p>	<ul style="list-style-type: none"> <li>• \$23 for a 20 min drum lesson for individual students in years 4-8.</li> </ul>	<p>Drum tuition takes place every Thursday during school hours.
